

"BE A HERO TO YOUR FAMILY"

Eternal Benefit has developed strategies, case design, and placement to offer convenient solutions through attorney/elder-care-law offices. We share ideas to build your practice using our relationship with our insurance carrier. Our program is designed to help you offer preneed solutions to your clients without leaving your office... we come to you.

Benefits Include:

- **Convenient to Attorney & Client**
- **Flexibility of Funeral Home**
- **The client won't feel pressured into buying while at a funeral home.**
- **Paperwork can be filled out in the privacy of their home or attorney's office; the client won't have to walk into the funeral home.**
- **The Client can choose any Funeral Home you want, no obligation to a funeral home others might want to use.**
- **Can generate additional income to the law firm.**
- **We offer a long trusted tool to reduce assets when doing "Medicaid Spend Down."**
- **Those putting plan together get to make the hard decisions, and not leave them to the family.**
- **Funeral Home & Burial Space Items are purchased today; savings for family later when needed.**
- **Must fit within the guidelines of each state you work.**

Feel free to visit www.eternalbenefit.com or contact our offices to learn about our cutting edge opportunities and having the tools no one else has.
